Dear HRYRA Member,

We are now accepting applications and renewals for 2019 PHRF Certificates at <http://phrf.hryra.org>.

For 2019 there will not be a one-step renewal process. There have been some changes to the PHRF Regulations that are being finalized so we will be reviewing every cert to make sure that your 2019 certificate reflects the correct credits or penalties.

As a reminder if you did not renew your 2017 certificate in 2018 as of 2018 there are no more crew weight credits.

We anticipate that the 2019 changes will be minor and affect a small number of boats. However we are being cautious in reviewing each renewal.

As soon as the new regulations are published we will forward them to the HRYRA Fleet. In the meantime, please reach out to me if you have any questions.

Sincerely,

Eric A. Baumes  
Acting HRYRA President
