An Invitation to Consider Membership

Are you actively considering, or do you have an itch to expand your sail or power boating horizons; to do something else in addition to just “sitting by the dock on the bay?” Are you somewhat nervous about taking that new cruising yacht on the *big river* or on the *sound*; or maybe you are interested in or getting back into racing?

If any of these fit, and are you simply in love with yachting and have a desire to belong to a community of people who feel the same way.

... then the **Hudson Cove Yacht Club** is the yacht club for you! Please read on, and take a moment to consider joining HCYC, a surprisingly affordable addition to your present boating activities!

HCYC is a great place to come together with fellow yachters, and to meet new friends; so join in and become a HCYC member !

The **Hudson Cove Yacht Club** is located at the Haverstraw Marina on Haverstraw Bay. The club uses the Marina Conference Center for most regular membership meetings and many social and special events.
