

Harvey Rosenkrantz

April 02 1934 - March 15 2017

Harvey was the third commodore of Hudson Cove YC formed in the 1984. Records from the club's 1985 publication "The Yardarm" list him as a candidate for the first board and at the December club meeting, 1985, he was elected by membership to this incoming Board.

Active in all boating events, by 1987, he was elected Commodore and served in this role for 2 years.

With his sailboat "Honey N' Me", docked at Haverstraw Marina, he and Marcia were friends to all. A great man, father, poppy, husband, grandfather, and good friend to countless people.

Harvey was president and owner of Leo M Klein Agency, an insurance agency based in Wayne, NJ and which later merged with a large, full service firm of Schechner Lifson Corp.

Right up to the very end he maintained his views and attitude of seeing everything with "Rosey" glasses and the glass being 1/2 full. His funeral in New Jersey was followed by a burial service at Beth El Cemetery, Paramus, NJ. Shiva was held at the home of Harvey's son Marc and his wife Lisa.

Predeceased by his wife **Marcia Rosenkrantz**, in April of, 2013.
