

Hello Everyone!

Spring is here and our first boating (Sail & Power) cruise has been planned for Shadows Marina in Poughkeepsie, New York from June 9 - 12. If you no longer have your boat or prefer to join us by car, that's fine! This will be a three part weekend!

I. **Shadows Marina (June 9 - 12):**

- Sailboats will dock on the outside wall of the marina. Powerboats can dock inside the marina
- \$2/ft (including electric)
- Let us know if you're coming by boat and we will advise the marina of the total number of boats from HCYC. Then each boater will call directly to the dockmaster (Keith) at 845-518-4459 to provide your credit card information

II. **CIA Saturday, June 10 (Lunch & Tour):**

- See link below for menu
- Come by boat or car
- Lunch at Ristorante Caterina De' Medici
- 11:30 am - 1pm
- Three course meal (appetizer, entree and dessert)
- \$57.66/head **includes** food, tax & 20% Student Support Surcharge (which is the gratuity)
- Coffee/tea, soft drinks & alcohol (**plus tax & 20% gratuity**) is **extra**
- They **can't** do separate checks **nor** a separate food bill and another drink bill
- They will provide **only one (1) bill/table** but we can use multiple credit cards (no limit on the number of c/c used)
- If possible, in order to simplify the payment process, we will attempt to keep the table size to 6-8 people/table
- Because this is a teaching restaurant, we will have to book each table 15 minutes apart
- **1 hour tour at 2:30 pm is \$15/head**

- Buffet style brunch. Omelets made to order, ham & turkey carving station & dessert table
- \$57.66/head **includes tax & 20% gratuity**
- Price **includes** unlimited coffee/tea, juice and soft drinks
